Our anti-slavery and human trafficking policy and this Modern Slavery Statement covers Argent Energy Holdings Limited and all its subsidiaries.

Our customers include fuel suppliers and heavy-duty vehicle fleet operators while our suppliers, predominantly in the UK, include traders, collectors and aggregators of wastes that are approved under relevant sustainability schemes. Argent's production facilities are at Motherwell, Scotland and Ellesmere Port, England.

POLICIES

We are committed to ensuring that there is no modern slavery or human trafficking in our supply chains or in any part of our business. Our Anti-Slavery Policy reflects our commitment to acting ethically and with integrity in all our business relationships and to implementing and enforcing effective systems and controls to ensure slavery and human trafficking is not taking place anywhere in our business and in our supply chains.

To ensure all those in our supply chains comply with our Anti-Slavery Policy, Argent:

- requires traders and suppliers of our raw materials to complete a questionnaire regarding their policies on anti-slavery
- incorporates an anti-slavery clause in supply contracts that requires suppliers to confirm their adherence to our policy on anti-slavery
- conducts annual audits on our suppliers
- informs our suppliers about the risks of modern slavery and methods for identifying possible occurrences
- trains employees on the real risk of modern slavery

This statement is made in accordance with the requirements under the Modern Slavery Act 2015 and was approved by the Board of Directors.
