A World of Fragrance

Woodbridge Home Fragrance

This collection has been designed and tested in the UK and stands as the most competitively priced fragrance collection available on the market based, on the quality of the ingredients used.

This extensive home fragrance collection contains; Large Apothecary Jars, Wax Melt Packs, Tumbler Candles, Diffuser Refills, Essential Oils, and Bath Bombs.

Apothecary Jars What makes Woodbridge special?

- Our candles are all multi-wicked. This means you will experience a cleaner burn and better wax pool, this enhances the fragrance throw and the ambience created by your burning candle.
- Our wax has an impressive 8% fragrance load with scents sourced from leading European perfume companies.
- Our extensive collection is designed to fragrance every room in the home.
