

SJT

SJT

It can't be that time again already?!

It is! But here at the SJT we are happy to sort all of that out for you and just gently glide together in the direction of sprouts and cranberry sauce. So here is some critical info: Our Christmas menu is local, loyal and lovely and wherever possible, we've sourced all our ingredients nearby from really nice people! Send over your pre-order and deposit before the 31st October and we'll

gift you £2.00 per head off your food bill. Got the task of organising the 'do'? Don't despair, your hard work will be rewarded with a complimentary £30 food voucher to be redeemed in January! Now then, that surely makes the nagging for those menu choices and little deposits worthwhile!? As always, drop us a line or come in for a chat if you need any help. James & Becki
