## Magnetic Horse Rug

---

Thank you for purchasing the Bioflow Horse Rug.

Bioflow are global leaders in magnetic therapy innovation and technology. With our knowledge and experience we have developed products that have gained the trust and confidence of customers worldwide.

Bioflow Horse Rugs are supplied with 40 powerful Central Reverse Polarity® magnets in the form of 10 moveable pouches, each containing 4 magnets. They can be positioned accordingly to target problem areas and are designed to be placed on the underside of the rug.

Central Reverse Polarity® is a strong, multi-directional force of magnetism. This technology is patented to Bioflow and no similar method exists.

Bioflow Horse Rugs are made from waterproof 600 denier ripstop polyester which is designed for strength and versatility whilst providing maximum comfort and breathability.

### USE & FITTING

Bioflow Horse Rugs contribute to the overall wellbeing of your horse and can be used before or after exercise. Bioflow Horse Rugs are fitted in the same way as a conventional horse rug or blanket augmented with adjustable buckle system, crossover surcingles, leg straps and fillet string.

### IMPORTANT ADVICE

The Bioflow Horse Rug contains strong magnets, therefore do not place near, or next to any item that could be affected by a magnetic field such as heart pacemakers, compasses, watches etc.

### WASHING INSTRUCTIONS

Machine washable. Wash the rug separately in cold water on a gentle cycle with mild soap. Line dry. Do not wash the magnetic pouches.

### GUARANTEE

The strength of Bioflow magnets are guaranteed for life.

If you feel you have a faulty product this must be dealt with through the retailer from where it was purchased and your receipt **MUST** be presented. Your statutory rights are not affected.
