

CONNECT

DESIGN BY

Geke Lensink / Jesse Visser

DESCRIPTION

This sturdy and luxurious upholstered chair is very comfortable as a home office, conference or office workbench chair. The Connect is a mobile chair and has a height adjustable base, which also instantly makes the chair functional.

MATERIALS

base: coated steel

seat: upholstered fabric/ leather

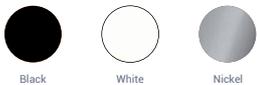

CLEANING INSTRUCTIONS

Dust with a soft, dry cloth or clean with soapy water. It can be moistured slightly with spiritus. Treat once a year with acidfree vaseline.
