

Give more for less, with Payroll Giving

Sounds too good to be true?

If you support the work we do through Payroll Giving, the donation comes straight from your gross pay (or company pension), and you receive tax relief for every pound you give!

Why we need your help

By giving to Clan Cancer Support through payroll giving, together we can support people affected by cancer across north-east Scotland and the Northern Isles.

We aim to help people live with and beyond their own, or their loved one's diagnosis, and improve quality of life for all those who turn to us for support.

What you can help provide

£5 (£4 donation after tax deduction)

– A welcome and supportive environment within our wellbeing centres

£12 (£9.60 donation after tax deduction)

– Therapeutic support to help improve quality of life for a cancer patient

£23 (£18.40 donation after tax deduction)

– Support to help a child through their or their loved one's cancer diagnosis

“This service was vital during Etta's treatment, and it gave her somewhere to go to help her understand in an age-appropriate way what was happening to her.”

YES, I would like to support people living with cancer across north-east Scotland and the Northern Isles through Payroll Giving.

I understand Payroll Giving is tax-free, so the amount that is taken from my pay each month is less than the amount I indicate. If I opt to give Clan £10 per month, it will only cost me £8! (basic rate tax)

I would like to give to Clan Cancer Support (please tick as appropriate)
