Frequently Asked Questions

- **What is a kWh (Kilowatt-hour)?**
A kilowatt-hour is the unit of energy which we use to calculate how much gas you've used and how much to bill you.
- **What does the term 'Fixed' mean?**
The term 'fixed' relates to the unit rates and standing charges of the tariff. These figures are fixed for the duration of the contract whereas the direct debit figure is subject to change depending on usage.
