

Engaging and supporting students and alumni

HCfE leads on the provision of extracurricular support to students that includes the Henley Business Incubator, Summer Start-up Boot Camp, the student led Entrepreneurship Society and the IDEAFEST business idea competition.

HCfE also supports the growing Henley alumni community through delivery of:

- A programme of events that includes a 'Talks on Enterprise Development' series, which features talks by award winning business leaders
- The 'Best Start-up and Innovation of the Year' Competition with a significant cash prize
- The Business Idea and Start-up Clinic which offers advice on all aspects of new business idea and new business venture development
- The Henley Start-up Business Incubator, a co-working space for recent graduates to incubate their business and receive professional services and mentoring
- Henley Business Angels, a network of business professionals who are self-certified HNWIs and sophisticated investors drawn from a diverse range of sectors whose purpose is twofold... help built HCfE as a centre of excellence and support new business ventures started by entrepreneurs who are graduates of or connected with UoR by providing funding and mentorship
