

# Our commitment to Health, Safety, Security and the Environment.

Lightsource bp is committed to having no accidents, maintaining the Health & Safety of our employees, preventing harm to those who may be affected by Lightsource bp operations, and protecting the environment. Our commitment to HSSE is a top priority.

Everyone who works for or partners with Lightsource bp has a part to play in meeting our HSSE commitment; as such this policy applies to employees, contractors and visitors.

## In order to achieve these aims and objectives, Lightsource bp is committed to:

- Providing a safe and healthy working environment for everyone: employees, contractors and visitors
- Systematically managing our operations activities to eliminate, reduce and mitigate our risks under an integrated HSSE Management System
- Complying with applicable laws and company policies and procedures
- Driving continuous improvement by regular monitoring and evaluating our HSSE performance
- Learning from both internal and external HSSE events
- Protecting the environment in all aspects of our business and operations
- Continue to be climate conscious by reducing our GHG emissions, protecting ecosystems and reducing waste
- Promoting Health & Safety awareness and environmental sustainability throughout our organisation and value chain
- Leading by example in HSSE related issues

We must be vigilant, disciplined and always looking out for one another.
