# WATTS GALLERY - ARTISTS' VILLAGE

---

Watts Gallery - Artists' Village is a unique Arts & Crafts gem nestled in the Surrey Hills, just 40 minutes from London or the south coast.

Created in 1904, the Artists' Village is the home, studios, gallery and architectural legacy of the great Victorian artist G F Watts and the designer Mary Watts. It is home to one of the finest collections of Victorian paintings, drawings and sculpture in the UK.

Our corporate supporters have enabled us to become a world-class centre of excellence in Victorian and early 20th-century art, social history, craft, design and architecture.
