

## Watts Tots In The Frame

This week, Watts Tots can collect, sort, select and display a range of with everyday items to create a masterpiece.

### Materials

- Old frame with the back board and glass/plastic removed
- Materials of different shape, size and colour – use what you have. Preferably multiples of each. We used:
- Wooden craft sticks
- Wool
- Pasta
- Matchsticks
- Bottle tops
- Natural objects

1. Sort each material by type so your child can easily select what they want. Try to have as much of each material as possible so they can use a lot if they choose to.
2. Invite your child to select and arrange materials. Will they choose to use lots of different ones or a few in abundance?
3. Photograph the masterpiece!
4. Sort everything back and have another go.

**Share your creations with us on social media #wattsmakespace
