# About us

**Lancashire Women are leading charity with the core vision of creating a Lancashire where all women are valued and treated as equals.**

With over three decades of experience, Lancashire Women work from our female-only centres to provide safe, dedicated space for women across the county. We bring together a number of services under one roof- all designed to support women who at any one time may be dealing with a range of issues including: social isolation and exclusion, homelessness, poverty, mental ill-health, or offending behaviour.

Our services are available to **all** women, but in particular we work with those who find themselves in situations which can increase their vulnerability or place them at significant risk of harm - and who are often facing multiple and complex needs.

Our delivery draws upon three decades of practical experience in supporting women, and is an approach recognised nationally for its effectiveness and impact.

**Closing date:  
Friday 20<sup>th</sup> August**

# Our values

We believe our values need to be translated from the ideals we profess into tangible behaviours which can be operationalised and measured. This way, our teams know and understand how best we can achieve the outcomes and change for the women we work with.

Our commitment is to ensure everyone in LW knows and understand the part they have to play and how they can bring our values into their work.

## Empower

We work to build on the strengths that all women & girls have, so that they can become more **confident**; especially in controlling their own life and claiming their rights.

## Honest

We try to be real with all the women & girls we work with so they can have choices about their lives, knowing that they will need courage to make changes that will benefit them and those around them.

## Creative

Creative in our approach to supporting women & girls and seeking solutions with them for the challenges.

## Non-judgemental

We accept each woman exactly as they are and genuinely make no moral judgement about their situation.

## Collaborative

We know we learn more and can achieve more when we work together.

**We EMPOWER**  
**We are CREATIVE**  
**We COLLABORATE**  
**We DON'T JUDGE**
