

WORKING WITH ASTER

How to apply for a job with us

- To apply for one of our vacancies you will need to complete and submit an online application
- If your application is successful, we will normally contact you by email or text within a week of the closing date
- Job interviews are generally held within two weeks of the closing date and you will be asked to select your interview time slot on our careers site, or we will email you these details
- Some roles have an initial telephone screening assessment which candidates must pass to be considered for the job
- Interviews may include a psychometric test, personality profiles, presentation or job related exercise
- Full feedback is available throughout our interview process. Please let us know if you would like to arrange a feedback phone session
- If you are successful, we will call you to confirm the offer details, terms and conditions and agree a start date
- Once you have verbally accepted, we will send you an offer letter and contract as soon as we have completed pre-employment checks which include your eligibility to work in the UK, satisfactory references and for certain roles, Disclosure and Barring Service clearance
- Once you have joined us, you will receive a comprehensive induction plan to prepare you for your new role
- If you aren't successful, you can request full feedback from the recruiting manager.
