IMPORTANT NOTES ABOUT HANDING BACK YOUR HOME TO US

Here are some important notes:

- If you have made alterations or repairs to your home without obtaining permission and they are not up to standard, you will be billed for the amount that it costs us to put things right.
- You must clear the whole property and garden.
- You need to make sure that you hand back your home in a clean condition. If we say that you can leave carpets or curtains then these need to be clean as well.
- You must not forget to clear any shed, garage or loft and you should leave the garden tidy with the grass cut.
- If you do not do the above things and we have to clear up or clean after you have left we will send you the bill. All our bills include VAT and an admin charge.
- Please leave all meter cards or keys for gas and electric in the meters as they will not work anywhere else. Please do not leave any money owing on the meters. You will be billed for any debt we have to pay. If you owe a debt we will notify the utility companies of your forward ing address.
- Please make sure you lock all doors and windows when you leave.
- We need to receive your keys by 10am on the Monday that your tenancy ends. If we have not got them by 10am we will charge you the full rent for the rest of the week. This will carry on until we get the keys back.

We want to be able to relet all our homes quickly to people who need them so if you leave your old home clean and tidy you are not only helping yourself but you are helping the next person who lives in your home as well.
