Project Manager at AT&C Professional Systems Ltd

Required Start Date – May 2018

Location – London Office, Swiss Cottage, NW6

Reporting to – Technical Director

Salary - £39,000 - £45,000

AT&C Professional Systems Ltd area a leading Audio Visual systems integrator with over 30 years' experience in the industry. With a portfolio of many high profile projects and partnerships AT&C design, supply and install some of the most innovative and sophisticated audio visual, lighting and environmental control solutions for Europe's leading hotel, restaurant and retail operators, and for the UK's most desirable homes.

We are a hard working dedicated team of individuals who work together for one shared goal – to deliver truly outstanding projects. So where do you fit in? We need a dynamic person who is not afraid of hard work in an exciting role. You will have a proven record of being an installer and will fully understand the lifecycle of a project. Can you lead a team on site from start of the installation through to commission and handing over to the client. You will working on new and existing projects across all areas of the market; a high end residential house, multi dwelling units, a corporate board room or a background music system in a restaurant. We truly are diverse in all that we take on and achieve.

As well as working hard we also like to play hard – whether its five aside football at the local leisure centre or breakfast around our kitchen table, the team really is at the forefront of what we do and the key to our success.

#### The Role

- Managing and organising projects
- Tracking projects budgets
- Working with the design team to receive clear handover of project
- Liaising with clients and attending site meetings
- Liaising with internal staff to ensure project delivery of goods/procurement etc
- Attending training with specific manufacturers and suppliers as and when organised

#### Skills Required

- Excellent technical knowledge of variety of AV equipment
- Excellent communication skills, both verbally and in writing
- Great team player
- Ability to problem solve and come up with a concise solution
