

First reports on Aspergillosis from Turkey

1. The first reported case:

Turhan B. Akciğer aspergillosis'i (Pneumomycosis aspergillina). İ.Ü.Tıp Fak Mec 1952, 15:748.

2. The first reported cerebral infection:

Başlar Z, Soysal T, Hancı M, Aygün G, Ferhanoglu B, Sarioğlu AC, Ülkü B. Successful outcome of aspergillus brain abscess in a patient who underwent bone marrow transplantation for aplastic anemia. Haematologia (Budap) 1997; 28: 265-71.

3. The first reported aspergilloma:

Kantarcioğlu AS, Keskinel I, Yücel A, Erk M. Case study: Mycological follow up of a pulmonary aspergillosis. Cerrahpasa J Med 2003; 34, 194-203.

4. Two cutaneous cases:

Arıkan S, Uzun O, Cetinkaya Y, Kocagöz S, Akova M, Unal S. Primary cutaneous aspergillosis in human immunodeficiency virus-infected patients: two cases and review. Clin Infect Dis 1998; 27: 641-3.

5. Other reports:

Sayiner A, Kürşat S, Töz H, Duman S, Onal B, Tumbay E. Pseudomembraneous necrotizing bronchial aspergillosis in a renal transplant recipient. Nephrol Dial Transpl 1999;14:1784-5.

Bor O, Çağrı Dinleyici E, Kiraz N, Dundar E, Akdeniz Akgun N. Successful treatment of tongue aspergillosis caused by *Aspergillus flavus* with liposomal amphotericin B in a child with acute lymphoblastic leukemia. Med Mycol 2006; 44: 767-70.

6. In vitro susceptibility studies

Kantarcioğlu, A. S. Ve Yücel, A. "In vitro activities of terbinafine, itraconazole and amphotericin B against *Aspergillus* and *Cladosporium* species", J Chemother 2002; 14:562-7.

Arıkan S, Yurdakul P, Hascelik G. Comparison of two methods and three endpoints in determination of in vitro activity of micafungin against *Aspergillus* spp. Antimicrobial Agents Chemother 2003; 47: 2640-3.

Karaaslan A, Arıkan S, Ozcan M, Ozcan KM. In vitro activity of terbinafine and itraconazole against *Aspergillus* species isolated from otomycosis. Mycoses 2004; 47: 284-7.

Kaya AD, Kiraz N. In vitro susceptibilities of *Aspergillus* spp. causing otomycosis to amphotericin B, voriconazole and itraconazole. Mycoses. 2007;50:447-50.
