

The INCOSE Institute for Technical Leadership
Instructions for Applicants

Candidates who have been nominated by an INCOSE leader to participate in the INCOSE Institute for Technical Leadership are requested to submit an application package containing the following four exhibits:

1. Your nomination letter from an INCOSE Board Member, Chapter President, Director or Associate Director.
2. A letter of recommendation and support from your home organization that describes your leadership accomplishments to date and your potential for assuming greater leadership roles in the future. The letter must also acknowledge the two-year commitment required of participants and agree to support your participation during that period.
3. A personal statement describing how participation in the program will benefit you as an individual, your home organization and INCOSE.
4. A resume identifying the positions you have held, the systems engineering results you have produced, and concrete evidence that supports those accomplishments.

Application packages should be zipped in a single file and e-mailed to info@incose.org not later than midnight, U.S. PDT, March 15, 2016.

Successful applicants will be notified of their selection not later than April 30, 2015. Remaining applicants will also be notified at the same time.
