

british ceramic tile

# HOW TO FIND US.

HEATHFIELD

## Welcome to Devon; The home of our world class manufacturing facility for British Ceramic Tile.

Housing our production centre and design studio, Heathfield is also the centre of our customer service and finance teams. Being close to the M5, the Heathfield site is easy to get to by road and air. Heathfield is the place to see the product from development, through its manufacturing journey and as a finished piece.

### WHERE TO FIND US

British Ceramic Tile Ltd.  
Heathfield Industrial Estate  
Newton Abbot  
Old Newton Road  
Devon  
TQ12 6RF

Sat Nav Use Postcode: TQ12 6RE

### By Air

Fly to Exeter Airport. Let us know if you need a taxi!

### By Car: From the South

From the M5 south, exit at Junction 31. Continue along the A38 towards Plymouth.

Exit at A38 at the Drumbridges roundabout and take the 4th exit for A382 to Bovey Tracey and Heathfield.

At the traffic lights, turn right into Battle Road and then turn right into Old Newton Road. Our factory is the last entrance on the left.

### By Car: From the North

From Plymouth, follow the A38 through the city eastbound.

Exit at A38 at the Drumbridges roundabout, and take the 2nd exit for A382 to Bovey Tracey and Heathfield.

At the traffic lights, turn right into Battle Road and then turn right into Old Newton Road. Our factory is the last entrance on the left.
