# HOW TO FIND US.

THE HUB

## Welcome to The Hub, the centre of Sales and Marketing excellence for British Ceramic Tile.

Housing our new product gallery, The Hub is the showcase for our unique products and services, as well as being home to our sales and marketing teams, Northern design facility and our supply chain function.

With close proximity to the M62, The Hub is easily accessible by rail, road and air. The Hub is the ideal place to see the product range, view our latest product development or just pop in for a taste of proper Yorkshire hospitality....tea and cake are always available!
