

Grease Cutter

Code 775 5 litre

- Water based with added solvent power produces no hazardous fumes.
- Penetrates soil quickly and deeply searches out deep ingrained oil and grime.

DIRECTIONS:

GREASE CUTTER cleans without hard rubbing and scrubbing, rinses freely and completely, therefore can be sprayed and rinsed from difficult to reach areas without agitation. For light duty applications dilute 1 part product up to 150 parts water. For heavier duty requirements (heavy soiling and sump cleaning) dilute 1 part product to 50 parts water (or stronger if necessary). Apply with mop, brush or cloth and agitate surface to remove stubborn soils. Rinse with cold water. For floor cleaning rinse with pressure hose or use mop and bucket technique.

Caution:

Do not use on aluminium. Concentrated product may etch glass if allowed to dry on.

HEALTH & SAFETY

Irritating to skin.

Avoid contact with eyes and skin.

Wear suitable gloves.

Keep out of reach of children.

In case of contact with eyes, rinse immediately with plenty of water and seek medical attention.

If swallowed drink plenty of milk or water and seek medical attention immediately, showing this container.

Material Safety Data Sheet available on request.

APPLICATION

Cleans metals, painted surfaces, rubber, plastic concrete floors, walls, equipment, machinery, sumps, food processing machinery and many more.
