

Premium Substrate Cleaner

Code 743W 5 Litres

DESCRIPTION

Premium water based multi-purpose substrate cleaner.

- Powerful state of the art cleaning action removes the heaviest industrial soil. Instantly!
- Degreases and removes most industrial greases, oils lubricants,
- Ideal for removal of metal working fluids, coolants (both mineral and synthetics),
- Removes packing waxes and all general factory soiling
- Proven in use as a food/Pharmacy grade cleaner to remove animal fats, bloods, vegetable oils, shortenings, burnt on fats and carbons and all stubborn dirt, greases and stains too!
- Removes all types of soil from most washable surfaces quickly and easily, including smoke damaged substrates
- Murders some hard to shift soils like mildew, cigarette smoke marks, body fats, greases, traffic dirt and long standing industrial grime and dirt!

This powerful biodegradable, fragrance free cleaner instantly removes dirt, oils, greases and all manner of soils without hard scrubbing, mopping or agitation. Dirt simply floats away. Surfaces cleaned are always sparkling clean. Head and shoulders above the rest - anti-bacterial, food grade, biodegradable, non allergenic

BENEFITS

- Powerful cleaning action works immediately. As easy as spray on - wipe off. Replaces elbow grease!
- Soaks up dirt - won't re-deposit them on cleaned surfaces and eliminates any need for extra cleaning
- Is totally versatile - can be used in pressure washer, ultrasonic cleaning, mopping and spray cleaning
- Gets rid of hard work and scrubbing. No hard work, no agitation, just floats dirt away
- Safe to use on glass, plastics(non-yellowing) and most washable surfaces
- Fume free. Operator safe. Odour free. Leaves no residual odour

VERSATILE AND SAFE FOR USE ON :

- All stonework and concrete
- Ferrous and non ferrous metals (contains metal corrosion inhibitors)
- All emulsion and gloss paint
- Stainless steel
- Enamels, plastic wall coverings, vinyl surfaces and laminates
- Unpolished wood and leather
- All flooring and fabrics unaffected by water
- Plastics
- Glass
- Most other washable surfaces
