

# Prof. Dr. Arch. Yordan Radev

Scientific Transnational Research & Development Investment Projects - head of centre  
Faculty of Architecture, Industrial and Agricultural Buildings

<b>Office Room</b>	A705, R237
<b>Student Hours</b>	tuesday 09 - 11, room 705, corp.A,sevent floor
<b>Phone</b>	+359 2 8655090, +359 2 9635245/365,517
<b>Fax</b>	+359 2 8655090
<b>E-mail</b>	<a href="mailto:dani_far@uacg.bg">dani_far@uacg.bg</a>
<b>Birth Place and Date</b>	Sofia 04.02.1946
<b>Marital Status</b>	married
<b>Year Started</b>	1975

## Lectures

"Industrial building's architecture" - course leader - V and VI semesters-faculty of architecture - UACG;  
"Architecture, energy efficiency and humanbeen healt" - course leader- IX and X semesters-faculty of architecture- UACG;  
"Architectural norms and means of use"- course leader- VII semester-faculty of Buildin Construction's engineers- UACG;  
"General architecture"- course leader - IV semester-faculty of Geodesy- UACG

## Education

Higher, UACG - 1972,MSc.(Architecture,Sofia)  
PhD - UACG - 1991 "INDUSTRIAL BUILDINGS AND ESTATES ARCHITECTURE"

## Language Skills

English  
Russian  
German

## Professional Skills

Obtained: Ms.C (Arch. UACG), PhD (Arch. 1991, UACG), Professional Certificate "Municipal Energy Planning and The ENCON proces s"  
– ENSI (1999)

## Science Interests

Scientific and design participation in Buildings for Industry architecture, Regional planning, Common Architecture,Energy efficiency and biological architecture. Awards for more then 4 national architectural competitions. specialization in Scotland (GB) - planning and design for industry, conservation and reconstruction of sites and buildings.

## Science Activity

- research activities in Bioclimathic architecture  
- research activities with "Center of Energy efficiency" - EnEffect-Sofia

## Membership

- Member of Union of Bulgarian Architects, UBA
- Member of Chamber of Bulgarian Architects, CBA
- Member of Association of Bulgarian Valuers of Real Estate Property, ABVREP
- Leader of Architectural Design studio "Terra Arch" - Architects, Engineers and Planners

## Participation in Research Projects

"Spatial and Planning arrangements for buildings of Small and Medium size Enterprises" - team research project leader - UACG-2003

## Participation in Design Projects

(recent projects within last 5 years):- Master plan of Sofia – final design, stage 2005 – 2025 approved; - Preliminary and final design for town of Obzor, "Ticha black beach hotel";- Bulgarian National Bank - Headquarter, town of Bourgas branch - design for revitalization, conservation and reconstruction; - Preliminary and final design for Technical University of Sofia, Electrical department - BG, );- Master plan for industrial zone of town of Pernik – final design.

## Academic Positions

PhD in Architecture "Buildings and rural estate planning for Industry" - 1991  
 Professor in Architecture - UACG - 2005  
 Member of UACG Academic Council: 2004-2008  
 Member of Faculty of Architecture Council - UACG:2000-2008  
 Member of Specialized Scientific Board in Architecture - Higher Attestation Commission (VAK) with Minister's Council of Bulgaria

## Science Keywords

- Director – University Centre of Research and International investment projects - UACG administration – Sofia, BG
- Full time Lecturer
- in architecture with Department of Architecture
- in architecture with Department of Civil Engineering-UACG;
- in architecture with Department of Geodesy-UACG
- in Rural estate development and evaluation with Post-graduation study Department-UACG
- member of Sub-group "National Experts" to the Group of Co-ordinators for Qualification and Diploma recognition in the field of Architecture EC - Brussels
- member of Superior Council of the Chamber of Architects in Bulgaria,

## Other Posts and Activities

Research and design participation in Buildings for Industry architecture, Regional planning,

## Publications

1. Y.Radev, K. Kostov, UASG, t. XXXVII 1994;"Bioclimatic architecture in action. A single story dwelling house ". An article, published;
2. Y. Radev, UASG, t. XXXXII 1995 "The Sun - energy in the space and architecture. Energy efficiency. Sun ray's effect to human health". An article, published;
3. K. Kostov, Y.Radev, Stroitelstvo, XLISSN 1993 -0562-1852 "The window's energy efficiency dimensions on industrial and dwelling houses buildings". An article, published
4. V.Donchev, Y. Radev, Aristotelio University of Thessalonica, Greece2001, International conference on "Economic, Social, Environmental and Planning Reconstruction of Declining and Destroyed Areas of Europe " Presented paper "The theory of urban areal and urban transformations: the history of space is the history of the city" An article, published in English.
- 5.Y. Radev, Tzv. Simeonov, N. Mironski, Hilton hotel, Istanbul, Turkey 2002, The Second Balkan Conference on lighting "Balkan light'02, Presented paper "Daylight in buildings for industries – BSS and European standards". An article, published in English.
6. Y. Radev, Athens, 2004 "Labor and Daylight in industrial buildings " International conference. An article, published in English.
7. Y. Radev, Koley,K. Turkey , 2005 "Daylight and visual comfort in Architectural design "International congress. An article, published in English.
8. Y. Radev, Sofia, 2005 "Architectural Norms and Means of design "Book. University press. Published
9. Y. Radev, Sofia, Detaili, 2006 "Energy as power potential of spatial design ",An article, published.

## More Info

Licensed lecturer in Energy efficiency architecture with "Key Number" Norway software of ENSY

## Hobby

Music and photography
