Hello,

Would you love to have your whole school buzzing about writing?

Imagine classrooms full of enthusiastic pupils creating tall tales packed full of originality as they dream of being the next David Walliams or Jacqueline Wilson...

**Ridiculous Writers**, the latest fantastic competition from Young Writers, will do just that!

Use the enclosed resources to have imaginations bursting with ideas to write about, plus the challenge of writing a mini saga (a story told in just 100 words) means vocabulary and story planning skills can be practised too.

If this isn't exciting enough, don't worry there's more! A short video to introduce the activity, an online idea generator, a fun lesson plan (with 4 levels of differentiation) plus your pupils could be published in a book!

If that's not made you want to take part, then the prizes might! £500 Hope Education voucher & The Young Writers' Award of Excellence for the best school (plus 2nd & 3rd place prizes too) and for the Star Writer a trophy, an animation of their story and my height in books (1.67m to be exact!)... after all this is Ridiculous Writers so the prize is a little bit too!

Everything you need to take part is enclosed. Call, email or go online to request more entry forms so your whole school can get involved & we're only a phone call away if you have any questions.

I can't wait to see what **Ridiculous Writers** you have at <<school name>>!

Best wishes

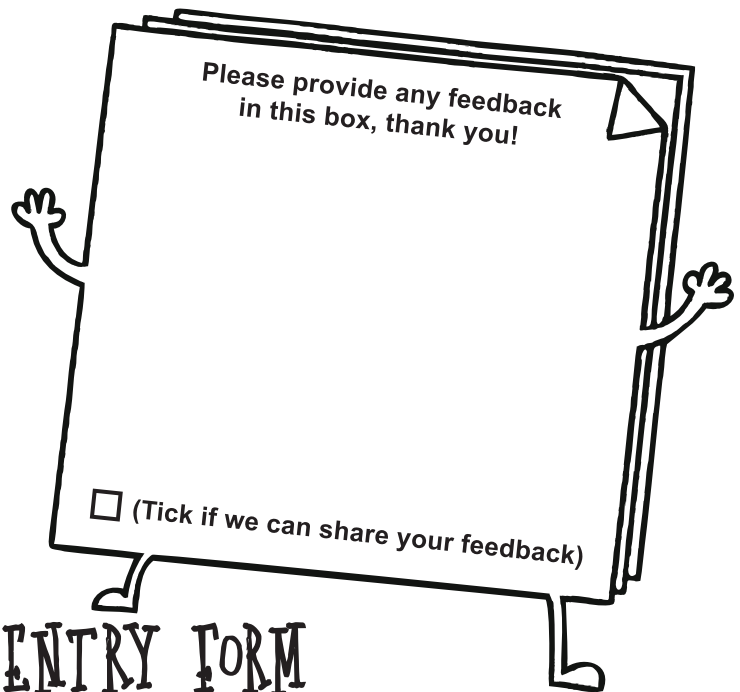

Jenni Harrison  
Editorial Manager

*P.S. If you use the enclosed optional lesson plan, why not enter your class' mini saga as well! As it's Ridiculous Writers we'll even accept entries from teachers - let's get the staffroom involved too!!*
