Advice for Computer Based Exams

You can study the papers in any order within each level, but for the best results once you reach FIA Diploma / start Knowledge, BPP recommend studying one paper at a time starting with F3. Exam fees are not included in the course price. As demand for these exams is high it is advisable to book your exam at the same time you book your course as this way you can get your preferred date at your chosen BPP location. We recommend sitting your exam within two weeks of completing the course whilst the knowledge is still fresh; remember – to qualify for our Pass assurance you must sit the exam within three weeks of your course ending.

Course Materials

Hard copy materials are included in the course fees, however if these need to be posted there will be a charge. Alternatively, soft copy materials are available for students to print from the online environment.
