

P1 MANAGEMENT ACCOUNTING EXAM PRACTICE KIT

Fourth edition 2017 (for exams in 2018)

06/2018

Chapter	Page	Section ref	Details of error and changes to be made
11	110	Q11.9	The answer should say 'Variable cost of producing 6,000 units (x \$18) = \$108k' Rather than 'Variable cost of selling 6,000 units (x \$18) = \$108k'
15	68	Q15.7	There is an error in the MySprint column in the question. The number of units per batch should say 800 not 1,600.
