

## Straight Tracks

Track Length	Fixing	Recommendation
3m or less	Wall-to-wall	No ceiling support
3m - 6m	wall-to-wall	1 x V-Support
6m +	Wall-to-wall	1 x V-Support and Straight Support + additional Straight Support for every 3m
3m or less	One wall only	1 x V-Support
3m - 6m	One wall only	1 x V-Support and 1 x Straight Support
6m +	One wall only	1 x V-Support and Straight Support + additional Straight Support for every 3m

## L - Shape Tracks

Track Length	Fixing	Recommendation
3m or less	Wall-to-wall	1 x Straight Support
Over 3m (either length)	Wall-to-wall	1 x V-Support
3m or less	One wall only	1 x V-Support and 1 x Straight Support
Over 3m (either length)	One wall only	1 x V-Support and 1 x Straight Support

## U - Shape Tracks

Track Length	Fixing	Recommendation
1 x Straight Support and 1 x V-Support as standard		
U-shaped tracks are always fitted to walls on both ends		
Any track length over 3m, we would recommend using another Straight Support.		

This guide outlines the ceiling supports we would recommend using according to some common track shapes and lengths.

Make sure you check the specific requirements needed for your track before placing your order.
