**"STAFF ARE ALWAYS THERE TO TALK TO AND HELP WITH YOUR QUESTIONS ABOUT THE CITY."**

**ATILAY, TURKEY**

We understand that safety is a concern for anyone travelling to a new place. That's why at NCG, safety and welfare are at the top of our priorities.

All of our staff, in all departments, have passed background checks.

We also have a colour-coded lanyard system so that staff, visitors, students over 18 and students under 18 can be identified at the blink of an eye.

We have staff trained in fire safety and first aid.

There are also regular health and safety improvement board meetings, where student representatives can give suggestions.

Our schools are located in areas that are safe for students to explore. Plus, social activities and excursions will always be led by a teacher or a member of staff.

## STUDENT WELFARE

We have student welfare teams who are available for students to chat to about any problems. From academic issues to personal issues – staff will be happy to help.

We encourage students to speak English at all times whilst they are at the college. Our staff can also speak a number of different languages.

# STUDENT STORIES

## **NURIA – PHARMACIST – *Spain***

I stayed for a month at this school and it has been a great experience. I have met wonderful people: from patient and highly-qualified teachers to funny classmates who you can practice speaking with for hours! Now I'm planning on sitting an English exam required in the pharmacy industry in Spain.

## **SHIN – FOOTBALL FANATIC – *Japan***

Coming to Manchester was my dream because I support Manchester City Football Club and always wanted to visit this place. The environment is great here. The teachers and the staff are so friendly. I have enjoyed watching Man City in real life!

## **GAMZE – FUTURE BUSINESS LEADER – *Turkey***

I wanted to do an MBA programme in United Kingdom, where the best universities are located. I needed to prepare for my IELTS exam and then found out about NCG.

I spent nearly a year improving my IELTS skills and happy to say I'm applying to study in the UK next year.

## **EISSA – ASPIRING DOCTOR – *Saudi Arabia***

When I first came to NCG school, I didn't expect it to become my second family. At first I was at a beginner level, but improved with practice and now I have University offers to study medicine!

Being in the Student Council and organising activities like Conversation and Debate clubs added confidence in my speaking. Every day is different and fun here! We are like a big international family with members from many countries!

If you are studying for less than 12 weeks or studying at NCG Dublin for any length, you have to pay your full fees to get a Visa letter from the school.

If you are studying for 12 weeks or more at NCG Manchester or Liverpool, you can pay a 50% deposit of your total fees to get a Visa letter from the school.

If your Visa application is unsuccessful you will be fully refunded except for a £200/200 Euro admin fee. Terms and Conditions apply.

## CAN I SET UP A BANK ACCOUNT?

If you want to set up a bank account whilst you are studying in the UK or Ireland, you'll have to do this yourself. NCG can give you a letter to give to the bank to prove you are studying here. NCG can't tell you which bank to choose, you'll have to do your own research and compare accounts.
