ADULT CLASSES

AMERICAN ENGLISH PROGRAMS

Immerse yourself in English and choose the schedule that matches your learning goals.

From semi-intensive to super-intensive, every rennert class focuses on the four language skills using our unique R.E.A.L method that will get you speaking from day one. You will perfect your listening, speaking, grammatical and idiomatic use of English in a communicative environment.

BUSINESS ENGLISH

Learn American business language, boost your resumé and acquire an early-career advantage.

Get on the track to a successful career by developing the language skills necessary to communicate in the changing world of business. This course is ideal for college students and recent graduates who want to pursue a business career.

ACADEMIC ENGLISH

Focus on developing your Academic English skills to achieve success at an American university.

Rennert offers English for Academic Purposes to help you learn the skills you will need to succeed in academic life in universities here or abroad. This intensive Academic English course focuses on critical thinking skills and strategies, research techniques, and academic skills, which are essential for academic success.

TOEFL SUCCESS

Rennert's TOEFL Success program will help you achieve the score you need to enter university.

Students learn key strategies for success in all areas of the internet-based test including reading, writing, speaking and listening. Weekly practice tests and student progress reports will keep you on track for success. The course meets for 4 lessons per day with only 12 students per class to allow for maximum progress.
