ENTERTAINMENT IDEAS

LED Musicians

Light It Up! are a combination of the UK's top musicians using custom designed Light Up instruments and performing alongside their DJ, they bring all the energy of a live band - but with the almost unlimited playlist of a DJ. Looking for something different, alternative... DJ Option available, or just the musicians.

Party Band

We work with an array of top bands, and the perfect one for you and your guests can be arranged whether it be an Abba tribute band or an all round party band covering songs from both decades.

Neon Glow Show

High tech entertainment for night time events. Dramatic and exciting glow performers to impress and entertain your guests. Perfect entertainment when you are looking for something a little bit different.

GloBot Show

Armed with an arsenal of awesome gizmos and special FX to die for, this unique state of the art entertainment behemoth stands tall over its opposition.

Utilising the latest wireless LED technology available with stand-alone pyrotechnics, shoulder-mounted blue lasers and dual controllable CO² cannons in both arms the Globots will put on a show that is simply spectacular

Aerial Artists

Aerial Performers will add that touch of elegance to your entertainment for the evening.

Choose from Hoops, Silks or Swings. This is dependent upon suitable ceiling height of the venue.

Fire Performers

Our multi skilled professional performers will display a wide variety of acts that include Poi Whips, Fire Staffs, Juggling torches, hula hoops, ropes, fire manipulation, fire eating, fire fans, crystal ball manipulation, juggling and unicycling.

Stilt Walkers

Themed stilt walkers are perfect for a meet and greet that is a little different.

Additional Information:

A full package can be costed together for you dependent upon your preference and requirements.

We can then use this as a starting point to work from in order to build the best possible evening with maximum effect to meet your budget.
