

At the Top, Burj Khalifa SOCIAL COMMITMENT
New Safety Measures. Same Amazing Experiences.

As predicted, the post-COVID-19 comes with changes in all aspects of our lives, including our leisure time. As we welcome you back, At the Top, Burj Khalifa team is committed to providing you with a safe environment in alignment with the UAE COVID-19 safety protocols.

Our measures have changed, and the team is redefining hygiene and safety standards. Your safety is our priority. And with this in mind, we have implemented a whole new hygienic system to create a healthy environment that will complement our different offerings. We are happy to see you, and we hope you make the most of our ATT experiences!

General Health & Safety Measures:

- Temperature checks are required prior to entry
- Wearing a face mask is mandatory
- Sanitize your hands using the sanitizers provided
- Buying tickets online is required
- Keep a social distance of 2 metres apart
- Children under 12 and Senior Citizens above 60 are not allowed as per government regulations
- Contactless payments are required
- Social distancing will be maintained inside the floors
- Please stand on the sticker placed on the ground when queuing
- Age limits stated by authorities will be applied, and our staff may need to verify the age by seeing your Emirates ID card
- Compliance with the stated safety measures is legally required in all areas within At the Top

At the Top, Burj Khalifa Precautionary Measures:

- Rigorous sanitization routines will be implemented at all touchpoints
- For sanitization and cleaning we are strictly using materials which are approved by Dubai Municipality
- Touchless sanitizers are placed in different location
- Staff will be wearing masks and gloves at all times
- Staff temperature will be checked regularly
- Staff will maintain high level of personal hygiene

The above precautions will be changed in case of any new requirements from relevant authorities
