WELCOME TO FOODSTOP

“ In 2014, we started something we were always passionate about – a place where kids could come and **build memories for life**.

Kidz Factory was born and exploring, building, creating, imagining and celebrating were just a few of the things we loved to do. But mainly, we made sure we **manufactured** nothing but **fun**.

Today we return with an addition to the fun; Food that's made with a pinch of **creativity**, a dash of **flavour**, a spoonful of **imagination** and a lot of **love**.

Step into a world where **Imagination** meets **Art**, even in our kitchen! While our creative chefs whisk up their specialties, grab a playhouse and take your pick from our carefully-crafted menu and watch your food drive up to you in a fancy sports car.

Pick up a crayon and start doodling on our tablemats or just pull up an exciting board game, then dig into our fluffy, creamy desserts, melt-in-the-mouth snacks and frothy milkshakes.

Whether you're spending a day having fun at the Factory or the scent of a freshly baked cookie simply lured you in, our array of mouth-watering dishes will have you coming back for more. Every time.

So gear up for **Kidz Factory 2.0!** It's bigger, it's better and it's all **Manufactured** with **Love!**

Thank you for popping by the Factory. We can't wait to see you again and again. ”
