

- The Lounge invites you to enjoy all the splendour of our Afternoon Tea
- Discover adorned teapots, specialty sandwiches and sweets, all created with individually selected ingredients to delight the senses
- Feast on freshly baked scones with thick cream and other delicacies
- A tempting assortment of delicate finger sandwiches, homemade cakes and pastries, accompanied by your choice of tea, complete this classic treat
- All ingredients are painstakingly sourced, skillfully prepared and served fresh each day
- The centrepiece of afternoon tea is, of course, the drink itself with a variety of tea to choose from that will complement your food perfectly
- The star attraction, however, is our Rayhaan tea. Making the perfect cup of tea is truly a work of art so our chefs have worked their magic in creating one which makes the perfect cup and is sure to delight
