

HABC Level 2 Emergency First Aid and AED

Who should attend?

Hotels, companies or individuals who require a basic First Aid qualification approved by the Dubai Corporation of Ambulance Services (DCAS). This course teaches basic First Aid skills for the work place and how to deal with life-threatening conditions. It is suitable for any student, even without prior knowledge.

What will they learn?

The course will familiarize students with their roles and responsibilities of the Emergency First Aider, including assessing an incident, recognizing signs and symptoms of injury and illness, and assisting a casualty who is suffering from injury and illness.

Course Content Includes

- The Role and Responsibilities of an Emergency First Aider
- Scene Survey
- Managing an Unresponsive Casualty
- Cardio Pulmonary Resuscitation
- Choking
- Shock
- Heart Attack/Cardiac Arrest
- Bleeding (severe, embedded object, from orifices)
- Treatment of Seizures
- Use of Automated External Defibrillator

Course Duration

8 hours in total

Certificate and Validity

Emergency First Aid at Work from DCAS, Highfield Awarding Body for Compliance (HABC) and Algebra Training valid for 3 years.
