Stretch Belt Installer/Remover Tool

STOCK No. 28624 **BRAND** Draper

BARCODE 5059482074882

WARRANTY Lifetime

FEATURES

- Suitable for most stretch belt applications found in accessory drives
- Helps prevent damage to belt/pulley during removal or installation
- Made from chrome molybdenum steel
- Magnetic faces hold tool in place on pulley
- Compact, one-piece tool for use on front or back side of pulley

DESCRIPTION

This stretch belt installer/remover tool is compatible with most stretch belt applications found in accessory drive systems. It is designed to prevent damage to the belt and pulley during installation or removal. The magnetic faces securely hold the tool in place on the pulley. This compact, one-piece tool can be used on either the front or back side of the pulley, and is made from durable chrome molybdenum steel.
