Draper Expert 230V Angle Grinder, 230mm, 2600W

STOCK No. 56610 **BRAND** Draper Expert

BARCODE 5010559566105

WARRANTY 36 months parts and labour

FEATURES

- Constant speed control
- Soft starting and restart protected
- Anti-vibration body
- Quick-release adjustable disc guard and spindle lock
- Three-position side handle

DESCRIPTION

This electric angle grinder has a powerful 2,600W motor offering constant speed control, soft start and restart protection for safety. It features a three-position side handle for added comfort and control while in use. There is a quick-release adjustable disc guard and spindle lock, allowing easy disc changing. It is robust, designed for the toughest jobs and to minimise vibration and kickback while in use. There is a carbon brush warning light, informing when a replacement is needed, and it comes complete with a pair of carbon brushes.
