FEATURES

- Single hammer butterfly air impact wrench
- · Lightweight aluminium housing
- · Three speed reversible motor
- · Built-in regulator varies speed and power
- Swivel air inlet provides easy manoeuvering
- Butterfly throttle for easy single hand operating
- · Compact size helps in tight spaces
- · Side exhaust
- Ideal for transmission, body panel, exhaust system and small engine repair

DESCRIPTION

Single hammer butterfly air impact wrench. Manufactured with a lightweight aluminium housing attached with a one handed forward and reverse butterfly control with built-in regulator to vary speed and power. Attached with a side exhaust and a 1/4" BSP airline connector which connects with the 360° rotating air inlet, helping prevent air-lines from kinking when in use. The compact size helps in tight spaces, making it ideal for transmission, body panel, exhaust system and small engine repairs.

CONTENTS

1 x Butterfly Type Air Impact Wrench, 3/8" Sq. Dr.
