Box Spirit Level, 600mm

STOCK No. 75071 **BRAND** Draper

BARCODE 5010559750719

WARRANTY Lifetime

FEATURES

- Made from aluminium
- 180° centre vial and two 90° vials
- UV and shock-resistant vials and rubber end caps
- V-groove for leveling pipework
- Hang holes for easy storage

DESCRIPTION

This aluminum box spirit level features a milled underside for maximum flatness and high accuracy. It is equipped with three UV and shock-resistant vials at 180° and two at 90° angles. The level also includes rubber end caps for extra shock resistance and a v-groove for leveling pipework. Hang holes at both ends allow for easy storage. The accuracy of the level is 0.5mm in a standard working position.
