12V Jump Starter, 3000A

STOCK No. 23779 **BRAND** Draper

BARCODE 5059482071645

WARRANTY 12 months parts and labour

FEATURES

- Jump starter and 12V DC power bank
- Easy-to-read LED indicators
- Reverse polarity alarm and overload protection
- Clamp holders for tidy storage of intelligent clamp and leads
- Fitted with 2 x 12V DC power output sockets
- Compact unit with carry handle

DESCRIPTION

This jump starter features an easy-to-read charge state with a simple LED indicator display. It is equipped with a reverse polarity alarm and automatic circuit load protection. Suitable for use with cars, light commercial vehicles, motorbikes, and boats, it comes with two 12V DC output sockets, making it a portable power source for devices powered by a 12V DC supply. The unit also has clamp holders located on the back for the tidy storage of the intelligent clamp and leads. Additionally, it is a compact unit with a sturdy carry handle for portability and comes with a 230V mains charger.
