2-in-1 Stair Climb Sack Truck

BRAND Draper

WARRANTY 12 months

FEATURES

- Tri-wheels for easy stair climbing
- Swivel wheels for use as platform truck
- High-quality steel tubular frame
- Powder-coated finish for corrosion protection and durability
- Large folding toe plate enables easier storage
- Maximum load capacity 150kg

DESCRIPTION

This stair-climbing sack truck is equipped with triple-wheel castors, allowing it to easily navigate both stairs and flat surfaces. The swivel wheels also enable it to function as a platform truck. Its high-quality steel tubular frame features a powder-coated finish, which provides protection against corrosion and reduces wear and tear. Additionally, the large toe plate folds up, saving valuable storage space and enhancing the truck's versatility.
