4-Prong Lawn Aerator

STOCK No. 09973 **BRAND** Draper

BARCODE 5059482040757

WARRANTY Lifetime

FEATURES

- Made from heavy-duty steel
- Black powder-coated for corrosion protection
- T-handle with durable soft foam grips
- Footplate for exerting extra pressure

DESCRIPTION

This heavy duty lawn aerator has four prongs to improve drainage and remove impacted soil and grass with minimum soil adhesion. Constructed from high-quality tubular steel with a black powder-coated finish for corrosion protection. It has a T-shaped handle with durable soft foam grips for comfort during use. The shaft is a good height, reducing the need for bending and reducing back strain. The footplate enables extra-pressure to be applied as needed.

CONTENTS

1 x 4-Prong Lawn Aerator
