FEATURES

- Designed for sawing and cutting wood, plastic, gypsum, non-ferrous metals and fastening elements; for work on soft wall tiles; and for dry sanding and scraping small surfaces – it is especially good for working close to edges and flush cutting
- The Draper Storm Force® 10.8V interchangeable battery system allows you to combine one battery with any of the tools within the 10.8V Storm Force series (not compatible with Draper Storm Force® 20V)
- Lightweight yet versatile, the tool has a quick change blade function, six speed settings and a three-degree oscillating angle
- Features an LED worklight
- Comes with a number of accessories, including blades, scraper, alloy grinding plate, sanding pad and sanding sheets

DESCRIPTION

This oscillating multi-tool has been designed for sawing and cutting wood, plastic, gypsum, plasterboard, non-ferrous metals and fastening elements. It is also intended for work on soft wall tiles, as well as for dry sanding and scraping small surfaces. It is especially good for working close to edges and flush cutting. Lightweight yet versatile, the tool has a quick change blade function, six speed settings and a three-degree oscillating angle. Featuring an LED worklight, the multi-tool also comes with a number of accessories, including blades, scraper, alloy grinding plate, sanding pad and sanding paper sheets. The multi-tool is part of the Draper Storm Force® 10.8V interchangeable battery system, which allows you to combine one battery with any of the tools within the 10.8V Storm Force® series (not compatible with Draper Storm Force® 20V).

Manufactured and certified to CE/UKCA
