- Integrated valve with low breathing resistance
- Elasticated straps and adjustable nose clip deliver a contoured fit
- Compatibility with eyewear and reduced fogging
- Folds flat vertically for easy storage
- Box of 10 masks
- Conforms to EN149-FFP3

DESCRIPTION

This disposable dust mask offers the highest protection against very fine dusts, fibres, aqueous mists and oil-based mists. The integrated valve offers low breathing resistance and comfort over long periods. The elasticated and adjustable nose clip ensures a contoured fit, making it compatible with eyewear and reducing fogging. It can be folded vertically, which makes it easy to store. The mask is maintenance-free and comes in a box of 10.

Conforms to EN149-FFP3 Specifications
