- Measures W 602 x H 1,081 x D 24mm

DESCRIPTION

The BUNKER modular pegboard is an excellent addition to your workspace. Designed to store your tools and provide easy access, it also showcases your impressive collection for all to see. This pegboard can be used individually or as part of the innovative BUNKER modular storage system.

The pegboard features a matt black textured finish for maximum durability and includes a pre-cut hole, ideal for setting up a power supply connection. When used in conjunction with the side wall bracket, the pegboard can also connect wall cabinets to floor cabinets.

Buy online via our online stockists and maximise your space today with BUNKER.
