STOCK No. 93424 **BRAND** Draper Storm Force

BARCODE 5010559934249

WARRANTY 24 months parts and labour

FEATURES

- Greater speed and efficiency over a normal jigsaw
- Four pendulum settings and a quick clamp blade change function
- Six variable speed options
- 0-45° bevel cutting
- Soft grip handle for added comfort

DESCRIPTION

Orbital jigsaws enjoy greater speed and efficiency over a normal jigsaw. This Storm Force model has four pendulum settings, giving it the ability to cut into thicker and harder material more quickly, according to material type. The jigsaw has a quick clamp blade change function, making blade replacement quick and easy. There are six variable speed options, with 0-45° bevel cutting possible. A soft grip handle gives added comfort.

Manufactured and individually certified to CE and UKCA
