FEATURES

- Made from microfibre for maximum absorbency and paint loading with minimal splatter
- Ultra smooth finish
- Suitable for all paints
- Perfect for smooth and lightly textured surfaces
- Fits a cageless 4" roller frame

DESCRIPTION

These medium pile roller sleeves are made from microfibre for an ultra-smooth finish. The material ensures maximum absorbency and paint loading with minimal splatter. The sleeves have a 10mm nap and are suitable for all paints applied on smooth and lightly textured surfaces. 4" roller sleeves are perfect for decorating smaller surface areas such as window sills. Fits a cageless 4" roller frame.

CONTENTS

1 x Medium Pile Microfibre Roller Sleeves, 4"/100mm (Pack of 2)
