STOCK No. 24275 **BRAND** Draper Expert

BARCODE 5059482072499

WARRANTY 12 months parts and labour

FEATURES

- Shaft made from hardened, tempered chrome vanadium steel
- Handle has built-in grooves for enhanced grip, serving as an alternative to a bulky soft grip handle
- Specially designed hinged joint head made from chrome molybdenum for extra torque
- Satin black powder-coated finish for corrosion protection
- Spring-loaded ball bearing for secure socket holding

DESCRIPTION

The shaft is made from hardened, tempered chrome vanadium steel with a satin black powder-coated finish for corrosion protection. The handle features built-in grooves to provide an enhanced grip, serving as an alternative to a bulky soft grip handle. The specially designed hinged joint head is made from chrome molybdenum for extra torque and has a durable manganese phosphate coating. It features a spring-loaded ball bearing for secure socket holding.
