FEATURES

-

DESCRIPTION

Close fitting work gloves offering high dexterity while working. Made from shape fitting Spandex for a flexible, comfortable fit with a spiderweb patterned palm which offers a high level of grip and dexterity, perfect when handling polished mechanics tools and small components. Soft brow wipe material and padding to the knuckle area offer further comfort while working. Adjustable hook and loop cuff for a comfortable and secure fit.

Manufactured to BS EN388 Specifications 2.1.3.1
