Engine Crane, 2 Tonne

STOCK No. 93510 **BRAND** Draper

BARCODE 5010559935109

WARRANTY 12 months parts and labour

FEATURES

- Single piston hydraulic pump for rapid lifting
- Four pre-set jib positions for lifting
- Twin safety overload valves
- Six robust castor wheels for safe mobility
- Folding design optimises storage space
- Compatible with a wide range of load slings and levellers

DESCRIPTION

This robust engine crane has a maximum capacity of 2 Tonnes. The single-piston hydraulic pump ensures rapid lifting of an engine out of its bay with little effort. There are four pre-set jib positions, with a maximum capacity of 500kg when the jib is fully extended. The outrigger legs can be folded to optimise storage workshop space or for easy transportation. There are six robust castor wheels to allow safe mobility. For safety, they are twin overload valves to prevent exceeding capacity. This engine crane is compatible with a wide range of load slings and levelers.

Manufactured to EN1494 Specification

CONTENTS

1 x Engine Crane, 2 Tonne

SPECIFICATIONS

Weight	79.40kg
Dimensions	1310 x 855 x 70mm
