FEATURES

- 4-in-1 grass trimmer for general maintenance (line cutter) and tougher jobs (plastic cutter) as well as a patio cleaning brush and both metal and plastic discs for cleaning between paving
- Telescopic height adjustment
- Flower guard
- Adjustable cutting angle
- Includes 2.0Ah Li-ion battery and charger

DESCRIPTION

This cordless 4-in-1 multi-function grass trimmer features four versatile attachments: a line cutter for general grass maintenance, a plastic cutter for tackling dense growth, a patio cleaning brush, and both metal and plastic discs for cleaning between paving stones. Switching attachments is quick and easy. The adjustable height ensures comfortable use, while the pivoting head allows for precise edge and detail trimming. A flower guard protects delicate plants and obstacles. The patio cleaning brush efficiently removes weeds, moss, and debris from gardens, paths, and patios. The metal disc targets stubborn weeds and moss in joints between paving stones, making it ideal for robust surfaces. The plastic disc is perfect for light weeds and delicate surfaces where a steel brush may be too harsh. For added control and comfort, the trimmer includes an ergonomic handle and auxiliary grip. Comes complete with a 2.0Ah Li-ion battery and charger.

CONTENTS

1 x Trimmer line
10 x Plastic blades
1 x Weed remover brush
1 x Weed remover disc
2 x Hex keys (3, 4mm)
