Hexagon Drain Plug Key, 3/8" Sq. Dr., 10mm

STOCK No. 38328 **BRAND** Draper

BARCODE 5010559383283

WARRANTY Lifetime

FEATURES

- 10mm hexagon profile provides the correct fit for compatible Ford Sierra back axle drain plugs, helping transfer turning force during removal and fitting
- 3/8" square drive allows connection to compatible ratchets and drive tools, making drain plug servicing straightforward.
- Hardened and tempered chrome vanadium steel provides a durable tool material suited to repeated workshop use.
- Satin finish gives the key a practical surface suitable for regular automotive workshop handling

DESCRIPTION

10mm hexagon drain plug key with a 3/8" square drive, made from hardened and tempered chrome vanadium steel for Ford Sierra back axle servicing. Ideal for mechanics and Ford Sierra owners for removing and fitting compatible drain plugs.
